

## You're Invited

The Lee County Department of Transportation (LC DOT) invites you to the Alico Road Extension Public Information Meeting on Thursday, May 11, 2023 at the Hilton Garden Inn Fort Myers Airport/FGCU (16410 Corporate Commerce Way, Fort Myers, FL 33913). This meeting will specifically cover Phase 1 of the design which includes existing Alico Road to Green Meadow Road (see map). A public meeting will be held later this year to discuss Phases 2 and 3, when more information is available for those segments.

The public information meeting will be held as an "open house" from 5 - 7 p.m. People attending the public information meeting can review project displays and speak one-on-one with project team members. These materials will also be posted online following the meeting. Comments about the project are accepted at any time, however comments received through May 22, 2023 will be a part of the formal meeting record.

## About the Project

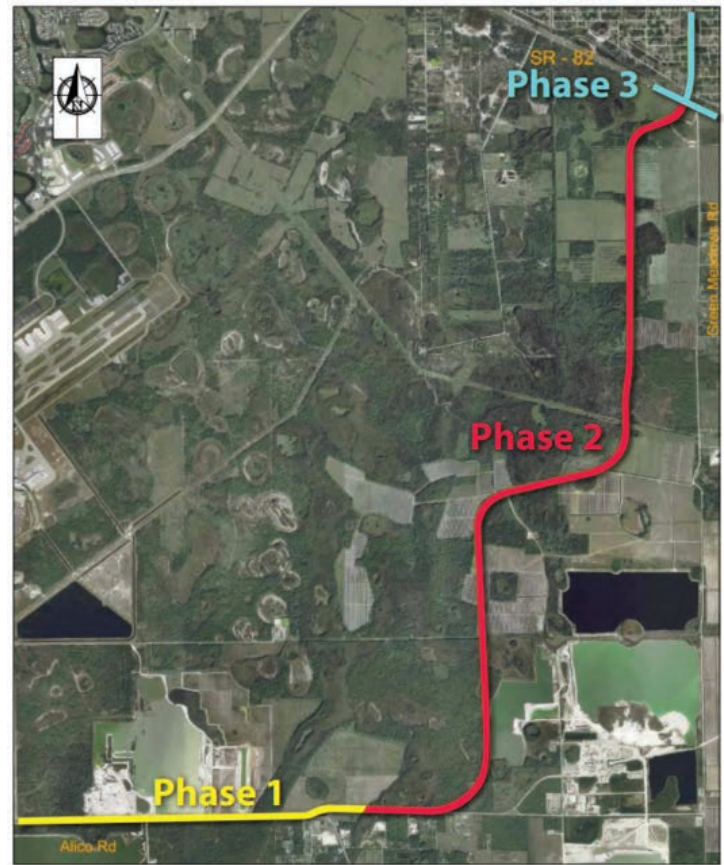

To prepare for county population growth, Lee County is designing the extension of Alico Road. This new roadway will connect with existing Alico Road just east of the Airport Haul Road Intersection, and extends east and north to connect with SR 82 at the Sunshine Boulevard intersection. This connection will improve the level of mobility and reduce congestion in eastern Lee County. This project builds upon the Alico Connector Study that was completed in 2009.

## What's Next?

Design of Phase 1 is expected to be completed early next year with construction beginning mid to late 2024. Construction is anticipated to take approximately two years. A public meeting will be held later this year to discuss phases 2 and 3. Lee County anticipates completion of design for Phase 2 and 3 in late 2025 with construction beginning early 2026. Construction for phases 2 and 3 is expected to be completed in 2028/2029.
